From the Editor's Desk...

This issue marks the third anniversary of the Lone Star Borzoi Club! We've come a long way in three years - here's to many more!

This issue includes profiles on our recent supported entry judges, a canine profile of the Rogers' newest addition, results from our recent BCOA Supported Entry, a special "recipe" and the beginning of a serial story by Rhea Russo. All this in addition to our regular features.

On a more personal note - I would like to thank all the dedicated people that have helped this club make it this far. Sharing the love of the Borzoi breed amongst ourselves makes all the hard work worth every minute. Good times and bad, we have a great group of people and I am proud to be a part of it.

Welcome to the newest members of our pack!

BRAGGING RIGHTS

❖ Jackie Corsette's Boomer earned his final major to finish at the Austin KC show in San Antonio. He is the third to finish from his litter. Kita finished at the Texarkana KC, having earned 5 majors during her time in the ring.

❖ Carolyn Mueller's Gypsy (co-owned with Wayne and Sara) won WB/BOS at the Bexar County KC show, earning her second major. She also took WB/BOS at the Louisiana KC show and both days at the Tyler Texas KC shows, also earning BOW on Saturday in Tyler. Wiggle (co-owned with Jackie, from the Promise Toy litter) earned her first point at the Baton Rouge KC show.

❖ Sara and Wayne Rowe's Shimmer (co-owned with Jackie Corsette and Carolyn Mueller) won the BBE class at the Rocky Mountain Borzoi Club specialty. Her litter-brother Dazzle won the American-Bred class there as well. Dani, who was co-bred with Amy Sorbie and owned by Rebecca Peters-Campbell, in addition to winning the BCOA National Specialty, earned another Group I in New Hampshire. Her brother Sonny won the RMBC specialty in September, with sister Hallee winning an AOM there as well.

❖ Kitty Sawyer's Russia/Oscar pups are making their mama so proud! Blue won his first major on his second weekend out, showing to Gerda Kennedy in Greeley, CO. He then took second in the Bred-By class both days of the Fort Worth cluster, earning a major reserve on Sunday. Blue's sister Jamie Lee took Reserve at our BCOA Supported Entry, then the next day took WB/BOW for a 5-point major. Kitty also wishes to "brag" on the LSBC - "The supported entry show attracted such an entry and the trophies were wonderful and the hospitality couldn't have been better."

❖ Lynn Shell's Stone (Boomer's brother) picked up his second major by going BOW at the Astroworld series of dog shows on Sunday. Stone then finished his championship at the Tyler Texas KC Saturday show. Arthur then thrilled Lynn with a BOB win from a large, quality entry at the Greeley, CO show in September. Rugby finished his championship by earning his last single in Monroe, LA in September. Lynn is also quite pleased with the performances of up-and-comers Duri and Burni from the Sword litter at their first shows early in the summer - neither

one embarrassed her with puppy antics in the ring! Burni won Best in Sweeps at our BCOA Supported Entry and then made Lynn really ecstatic by winning Winner's Dog from the Bred-By class the next day at the Texas KC show and earning his first points (a major!). Flareon (co-owned with Victor and Sara) and Doodle (co-owned with Jackie) both finished their GRC titles while competing at the Minnesota Coursing Association LGRA meet in Cambridge, MN. Flareon was also the winner of the Minnesota Sprint Challenge.

❖ Sandy Simmons' Wilbur finished in high style by taking WD/BOW at our BCOA Supported Entry in Fort Worth. He is the second from his litter to finish, his brother Ranger having finished in Denton back in May. Aria also earned her first major by taking WB from the 12-18 class at the Supported Entry - what a great day!!

❖ Terry Steele's Maghia took Winner's Bitch for a 3-point major at the Houston KC show in July.

❖ Richard Terry and Marion Heise's Target took WD both days in Texarkana earning a major by going BOW on Saturday, and another single on Sunday. He then earned his last two singles at the Bayou KC shows in LA and finished his championship! Even more exciting has been Val's record this past quarter - he earned 3 Group I's (Acadiana KC, Concho KC, and Texas KC), a Group III (Concho KC) and a Group IV (Fort Worth KC). Val was also the winner of our BCOA Supported Entry.

❖ Susan Weinkein's Flyte gave a breath-taking performance at the Grand National coursing in Colorado Springs - she won the breed both days!

❖ Victor Whitlock's Summer picked up points at the Monroe, LA shows, going WB on Friday and Saturday of that cluster.

This year we had a total of 37 entries with 3 absent. Trophies included pieces by Mythling Studios (the BOB stained glass trophy), Jane Bishop (Korsakov Borzoi - the stained glass fan lamps and etched suncatchers), Jude Delaney (the notecards) and Amanda Gibney (the etched glass shapes). Thanks to Sandy Simmons, Sara Whittington-Rowe and Laurie Courtney for their hard work in putting on this event! Also - thanks to those who helped support the entry by sponsoring trophies!

BORZOI PROFILE

This came after inquiring of Joe Rogers regarding "New Additions" submissions for the newsletter. After receiving it and loathing the idea of editing it down, I was struck with a new idea. ..instead of just including Veteran profiles, I thought it would be kind of neat to allow profiles of any club member dog. Perhaps this will provide inspiration for others to submit in future issues. Enjoy!

"I would like to introduce TV, Ch. Khanzade's TV Image, my new Borzoi who has brought me back to the ring after about 8 years of not showing. The reasons that I have not shown are many, among them; being so committed to working on the BCOA Board I failed to take the time, my personal dedication to the "STANDARD" that sometime I failed to bring out or continue showing some good prospects because of perceived faults that were not that bad, and just not having the time in my life to do what I considered showing a dog to his/hers greatest potential.

Back to TV. About 4 months ago, Katie Averill contacted me about the last dog that Bruce had finished before his untimely death on December 30, 2000, in an automobile accident. She said he was a wonderful dog, but he was too much for her to manage. As some of you know, Kitty and I were close friends of Katie and Bruce. Bruce was a Board member and close confidant of mine when I was the President of the BCOA. We had become fast friends. Katie said that she would like for me to have TV, because she knew Bruce would have liked it also. I delayed a couple of months, and then asked her if she was sure she wanted to part with TV. She said, "Yes." I drove to Hiram, GA on August 22 and picked up TV, returning home the next day. TV, Ch. Khanzade's TV Image (The name references his father, CH. CAZIMIR'S TVARISCH), is a product of the Khanzade, P.O.S.H., Sunbarr, Cazimir, Rising Star lines.

TV likes food, treats, chewies, squeaky toys, tennis balls and Whippets, not necessarily in that order.

He is a free moving, very elegant, happy dog. I look forward to working with him in the BOB class in the next months. I also look forward to the BCOA National Specialty Show in Atlanta in the last week in March 2002.

We WILL see you in the ring. We also hope you win, but are behind us."

The Zoi Connoisseur

This quarter I'm including a different kind of recipe. While attending the Rocky Mountain Borzoi Club specialty in September, I received a "hospitality bag" from the club. One of the items inside was a bottle of "Borzoi Shampoo". While getting Stone ready for the Tyler shows, I decided to try it - and LOVED it. I posted to a Borzoi discussion list, and its maker, Rene Green, was kind enough to post the recipe. I am including it here for those who may have missed it, or are not online.

BORZOI SHAMPOO

- 1 29 oz. bottle of Dove Dishwashing Soap (or you may use Ivory)
- 1 4 oz. bottle of glycerine (in the soap section)
- 1 cup of white vinegar
- A few drops of Mrs. Stewart's Blueing

Combine all ingredients in a one gallon jug, fill to the top with water and shake gently to mix. Be careful using the blueing - you don't want to use too much!

hare!.....A race across open terrain! Heavy snorting beasts with men astride them thundering behind ! Oh! The sight of fleeing terror! A certain insanity in his eye, yet no match for the fierceness, the speed, the frenzy from this pack!!'and then judging it to be a whining pocket of air from the fire lay its chin back to the floor with a wistful sigh.

And Madam- me dozing too, my powered nose quite chilled, my heart all toasty beneath a cashmere shawl and the knowledge that there was not one place on earth I would rather be or one thing I would rather do than be right here with my beloved dogs!

White fat flakes would fall, bright and puffy against an evening gloom. I was content to stroke my beloved Natasha's flank and feel her soft warmth beneath my palm. The creaminess of the old girl's fur always complimented my diamond ring. It sparked up at me like the promise it once symbolized; hope, trust- true love.

It seemed only yesterday I hovered over Natasha's mother, where scrubbed and unadorned these hands gently moved to free puppies of birth sacs or find nipples and hold at long last my Narcissus, the scoundrel-brother to my girl. These two, Natasha and Narcissus are the last that remain of my adoring and once renowned sighthounds.

It was a night just like the one I described that I found my old diaries. It was my housekeeper Judith actually. I had just come down for dinner and as Charles seated me, Judith placed an old linen wrapped package on the table and stepped back with a rare smile.

Saturday 5/10/38

Today wonderful news and special secret!

JeanPaul arrived with my Mignon! five months old, She is everything that I wanted. Papa says that I should not get my hopes up too much, but I know in my heart that this dog, this lovely bitch is the beautiful mother of my many babies to come. She has the most gently loving spirit and long strong legs, JeanPaul says she has the strong bone and aristocratic attitude. She is my princess Mignon. But she is very fast and will catch many hares. Papa says that in a pack he has seen all his dogs try to chase the wolves, but this is an idea that frightens me.

Tonight I will beg Maman to let my new baby sleep in my room; if she forbids it I will scream and cry. Ah! my dream is to grow up and have many of these hunting dogs of my own- my own kennel and five dogs in my bed if I want!!!!!!after my education and I will be living on my own. Then, I will be a woman.

and now for my big secret to my secret diary! sshhh..tonight I walked home with Henri D'Or. He is very nice boy. His teeth are very straight and white and he smiles very much. He always wants to stay and play with JeanPaul's hunting dogs and see which one has the new litter and he lets them lick his face. They like him. I like him too....sometimes I think he is the one that I will one day be his wife, but, no- I do not like the words...be a wife! just me and my dogs alone. Tonight I take the solemn vow, never to marry! Tomorrow after my lessons, I will take my Mignon out for some training and we will run and play.....maybe Henri will want to come.
Goodnight Diary.....
