If you do not already have the Adobe Acrobat reader on your computer, you may download it at the Adobe website - there's a link on our website. From the Editor's Desk...

This issue contains only our regular "features" such as a calendar of upcoming events in Texas, member news, new titles, etc, as no one submitted anything extra.

We would love for more dog profiles to be submitted, as well as club member profiles. We are also in need of any stories, poems, dog treat recipes or artwork that our members would like to share!

BRAGGING RIGHTS

Don't forget to send your news to me! I've know of some spectacular brags that never got reported - so please send them in to share with the club!

❖ **Dee and Greg Jones** - "The Borzoi-By-Adoption Campari the Afghan Campari took a 4-pt major at the Atlanta Cluster, leaving him needing only one more major to be a champion."

❖ **Margaret Lucia** - "Mila's 4 pointer from the Reliant show...now just needs 4 singles. Yeah! Now, I have 3 girls just needing a few singles to finish. Domino, the Mila x Arnie daughter, Wyvern Apache Belle, is going to put her feet in the show waters to see how she does before traveling to her new home in England. And Oscar's newest son, Billie Thibeaux's 'Hot Shot' out of her lovely Savy, is looking Mighty handsome, and very gregarious, Billie says. We see a really bright future for that young boy. Another Oscar' son, Blue, is doing well in the breed ring for his mom, Kitty and Willie is doing great with his mom, Sandy. I have the new website and a new litter out of Ben and Nikita due in mid October that we're really excited about!"

❖ **Michele Ray** - "My beloved "Godfrey" Ch. Tamarazi's Privilege of Davidoff CGC won the Veteran Hound Group in exhibition at the Singing River Kennel Club show in Biloxi, MS in late July. It was very special and lots of fun to be with my older boy in the big ring again. Godfrey was very proud of himself, and I of him."

❖ **Sherry Faye Rodarmor** - Sherry sends word that Shefaro Amadeo's Mikhail (owned by Dena Kirkpatrick) and Shefaro Chita Enrique (owned by Emily Patterson) have both finished their AKC championships.

❖ **Kitty and Jimmy Sawyer** - "Our boy Blue is still at summer camp, we call it, with Richard and Rita. He is taking the How-to-be-a-showdog course. He first part including Separation-from-your-human-mother, he failed. We both had to re-take that part. I expect nothing, other than gray hairs in Richard's head shortly. With Rita's help they have made remarkable progress and several wonderful wins including a BOS, a BOB, and a group placement in Cheyenne. Sister Jamie is waiting, again, to see if she will have her first litter in early November with hubby Virago. We had a wonderful visit at the Sylvan farm over Labor Day. Little sis Paisley is holding down the pool while mom scouts for her last major."

New Additions

From Lynn and Victor - We're super pleased with our new girls. Demi comes to us from Jackie, Sara and Wayne after we transported her back to Texas from Colorado. We just couldn't quite get her all the way home and they were kind enough to let her make her home here. Taarna is another Swedish sweetie - a second cousin to Monkee and a first cousin to our Sword litter.

(Kitty emailed me later to say that Jamie's pregnancy has been verified - congratulations!)

❖ **Lynn Shell and Victor Whitlock** - "We had an exciting River Cluster, finishing the championships on both Monkee and Duri, and having both take Best of Breed wins from the classes. Duri was finished completely from the Bred-By classes. In August Burni and Arthur both achieved their Canadian championships. Burni also garnered an Award of Merit at the Borzoi Club of California specialty in Lompoc, and got a Group 3 in Canada on the day he finished there. At the Rocky Mountain Borzoi Club specialty, Kalipso took Winners Dog for a 5 point major and finished his championship! He had also won Best Opposite Sex in Sweepstakes. Victor took dogs to Colorado for the ASFA Grand Nationals and Rocki won the breed all three days! This was only his second trial to attend and we hope his enthusiasm continues far into the future. Monkee won the Field Champion stake on Friday and Saturday. Duri won the breed both days at the Tyler cluster and was pulled in the group on Saturday. At the September Fort Worth shows, Sassi returned to the ring, and came away with Winners Bitch both days, also taking Best of Winners on Saturday for her first major."

❖ **Sandy Simmons** - "Wilbur took the breed in Corpus in August and went on to a Group 3. Tera picked up two more points in Corpus which brings her total to 14 points both majors, and Wilbur's young son Dru out of Aria, owned with Marty and Julie Bergen picked up his first point at his first show from the 6-9 puppy class."
