BCOA 2005

If you can assist in hosting the 2005 BCOA National Specialty in April 2005, please contact either R. Lynn Shell-Whitlock (gryffyn@borzoi.cc) or Joe Rogers (j0erogers@aol.com) and let them know. Any and all help is appreciated!! You may also contact them if you have any questions about the event.

We will certainly need help manning the registration, catalog and specialty sales tables, as well as set up and tear down.

From the Hospitality Chair:

The Hospitality Committee is well into the planning for the 2005 National to be held in Mesquite. We have a very creative group! Julie Bergen, Jackie Corsette, Margaret Lucia, Debs Herold, Rhea Russo, Kitty Sawyer, Billie Thibeaux, and Sara Whittington Rowe. Ideas include the use of yellow roses and bluebonnets (to match our logo), a wrought iron "Texas ranch style" arena entrance, silk arrangements in cobalt bowls etched in Borzoi designs, embroidered napkins, coordinated signage, and a party on rodeo night. We are still looking for volunteers to help with this committee, including manning the hospitality room, and other hospitality duties. Please contact Veni Harlan at borzoirule@cox.net or call 225-381-8364.

BRAGGING RIGHTS

Don't forget to send your news to me! I've known of some spectacular brags that never got reported - so please send them in to share with the club!

❖ **Sherita Hogan** - "There have been some exciting things happening here at Rose Hill. After a long layoff due to an illness in my family and general upheaval in my life, I have finally begun to get the dogs out again. On April 18th Mir went BOB at Stephenville KC under judge Nelson Huber. Also in April, Mir's daughter Annie (Rosehill GL Follow Suit) went WB for her first point at the Lake Matthews JC show in California under judge Julie Holm. Annie is also expected to certify for ASFA this month, as well as try for her JC. After a layoff of over a year, Mir returned to the LGRA track on May 1-2 - he was top scoring Borzoi on both days, winning 10 points for the weekend and completing his SGRC title. Then later in April, Mir went WD at the Muskogee KC show in Oklahoma for another point under judge Lenora Riddle. In May I heard from Marcella Zobel (Golightly Borzoi) that DeeDee, another Mir daughter, had certified for ASFA...and promptly came in heat the same day, so her running will have to wait. Renee McCartin (Mielikki's Hunt Borzoi) reports that another of Mir's get, Yanna, is showing extreme interest in the lure and is expected to JC this month. I took a long drive to Little Rock, AR for the Arkansas K shows. On June 19, Amber went WB/BOW/BOS over a special for her second major under Linda Scanlon. The next day Mir went WD/BOW for a 3-point major, under judge Douglas Shipley. Amber also went WB at the Mid-Del Tinker

show on June 25 under judge Raymond Filburn Jr. I am hoping to stay in the show ring for some time to come, but with the Texas summer heat coming on, the hair is falling off."

❖ **Dee and Greg Jones** - "We have been concentrating on obedience training with our Afghan Hound Campari, but he and Cinderella took BOB and BOS respectively, on the same day at both the Acadiana and Mandeville shows here in Louisiana. Koszak earned his JC at the BCOA Nationals."

❖ **Margaret Lucia**- "We have good and sad news here. First, we were so very proud of Oscar, CH Rabrega Wyvern Tovarish, JC when he was awarded Best Veteran in Show in Crosby! He absolutely loved going back out to the shows. At the same shows, we brought out our two new youngsters, Promise's Zion of Wyvern, aka Caleb, and our Mila daughter (out of our Finnish dog), Wyvern Absolutely Fabulous, aka Dottie. Both came away with WD and WB, Dottie going BOS for her first show and her first major. Wow! We are really excited about these two kids. And we have two other new babies we are excited about: a handsome boy from Del Sol we call Polar, and a lovely young lady from Chataqua we call Icey. Our sad news is that Oscar passed away a couple of weeks ago and left a huge void in our lives. I am so thankful that he has left a legacy to be proud of in his great kids at Katz, Aldemoor and Tierra Pina Borzoi."

❖ **Joe Rogers**- "I got two beautiful puppies from Katie Averill's line and a male puppy from Nadine (Octavia x. Conquistador). I'm looking forward to getting back in the ring again!"

❖ **Rhea and Jasper Russo** - "We said good-bye to the adorable and cheeky Avalon Queen For A Day, aka "Day", as she is now making her home at Borzoi Del Sol with co-owner Susan Vandewater where she can be better maximized to her potential at this time. By all reports, she is fitting in quite nicely with the Zen/Belle guys. We look forward to seeing her again on the field and in the ring this Fall. Tzirina Camille v SVershin (Camille), our yearling girl out of Borscana Taur Urgas, JC (Tauras) and Svora High Echelon, JC (Ritzzy), went BOB over specials for 2 points at the Iowa City show last Saturday, June 12th, handled by owner Terry Doane of SVershin - home to CH Zimistrajia's Play Mozart for SVershin; grandsire to 'Camille'. The judge was Dr. Asa Mays, who also pulled her later for the cut in the Group. As promised to Jasper and against all "nevers", we are saying Hello to a show prospect Saint Bernard pup - yes, the insanity continues - to replace our male Saint we finished and sold to an Obedience/Weight Pull home in WA several years ago. If all goes well with the new fellow's settling in, we will be breeding our Stillwater Nautical Mile, JC (Miles) to Svora High Echelon, JC (Ritzzy) in September."

❖ **Kitty and Jimmy Sawyer** - "KatZ has news! Our Copper Canyon and Chaotic Clare are our Jamie/Virago babies. They are almost 8 months old and will be in the ring as soon as they are leash trained. They are both IM reds and just as nice as we had hoped they would be. Brother Blue has 8 new babies at Aria, so he came home to enjoy the rest of the summer in his pool. He did have fun at the National and was in the ring for BOB with his sister Paisley. He made several cuts and made us proud. Our Miss P was 22 months old at the Centennial, and received an AOM! She also showed in Stud Dog with her Dad, Remy,

where she helped him collect a 2nd Place. And she went in Brood Bitch, with her mother Russia, where with the help of sister Hattie and brother Blue, Russia took 3rd place! To finish off the day, we ran to the costume contest, where Paisley won a 3rd place as the Swan Princess. The best part was the attitude she showed me after so many hours in the ring. She is just a remarkable little girl and we are SO proud of her."

❖ **Sandy Simmons** - Sandy sent word that her boy Lance had a nice spring, acquiring 9 points, including a major. Chalice, co-owned with Marty and Julie Bergen, had a nice Best of Breed win over specials.

❖ **R. Lynn Shell-Whitlock and Victor Whitlock** - "We are thrilled to report that Rocki, co-owned with Sara and Wayne, is now CH Chataqua's Sensation at G-A, JC, having won his last point at the Acadiana show in Lafayette, LA. He had picked up his third major at the March Fort Worth shows. He also lacks just 7 points to finish his ASFA field championship and we hope to take care of that once running begins again this fall. The BCOA national specialty was quite an experience for us! At the ASFA trial Kalipso won 2nd place in his Field Champion stake and Magik won NBQ in her Open stake. Taarna, made the cut in both her Sweeps and Regular classes. Nikki was represented by Duri and Burni in a competitive Brood Bitch class and managed to get 4th place and more excitement was to follow with Kalipso being given an Award of Merit! Burni made many cuts in the breed judging as well. Kalipso has picked up more ASFA LCM points and AKC LCX points on the field. We're quite proud of him as the running competition has been exceptional. Sassi came back out to the showing for the OKC shows, and came away Winner's Bitch for another 2 points on Sunday. We also have some sad news as well. Victor's sweet old girl Kira passed away unexpectedly at the age of 11. She had brought smiles to the crowd at a lure coursing event earlier this year, performing a "happy dance" after catching the lure. She will be missed."

❖ **Sara Whittington and Wayne Rowe** - Magik made the cut in the American-Bred class at the BCOA Nationals, and also got NBQ at the ASFA trial there. She also earned another 4 points towards her AKC Field Champion title and also finished her ASFA Field Championship at the trials in Oklahoma.

"Once again I find myself in the rather awkward position of having to ask one of you for a biscuit."
